**Sponsorship at Intermedium's first breakfast briefing in 2024 provides an exciting range of benefits.**

After the successful budget briefing last June 2023, we return to Canberra to tackle key Federal government ICT and digital trends in the coming year.

The public sector is a hugely important market for most ICT suppliers, but marketing to its typically sales-averse decision-makers is challenging.

We can help get around this difficulty. At this briefing, your company will be profiled to some of the most important senior decision-makers in Federal government:

- Senior Executive Service-level keynote speaker and panellists (names to be announced shortly)
- The public servant guests your sales professionals can invite to your table
- The public servant guests at other tables, including those at your competitors' tables.

Your partners and prospective partners are also likely to be in attendance, as will many other ICT companies providing goods and services.

With 100 seats available, this event will be sold out.
