Sponsorship at Intermedium's "Navigating NSW Digital and ICT Futures: 2025 Outlook" briefing provides an exciting range of benefits.

After the successful NSW budget briefing last 1 August 2024, we return to Sydney to explore the critical ICT trends shaping the NSW government in 2025.

The public sector is a hugely important market for most ICT suppliers, but marketing to its typically sales-averse decision makers is challenging.

We can help get around this difficulty. At this briefing, your company will be profiled to some of the most important senior decision makers in NSW government:

- A top government ICT official to deliver the keynote address or to be featured in a fireside chat (soon to be announced)
- Senior Executive Service-level panellists (names also to be announced soon)
- The public servant guests your sales professionals can invite to your table
- The public servant guests at other tables, including those at your competitors' tables

This two-hour session draws from the latest government updates, including the Mid-Year Economic and Fiscal Outlook, election promises from both major parties and Intermedium's in-depth research of contracting trends.

Your partners and prospective partners are likely to be in attendance, as will many other ICT companies providing goods and services to government.

With 120 seats available, this event is expected to be sold out.
